

Access keys

Access keys are keyboard shortcuts that will take you to frequently used pages, such as the home page and the search page.

Keyboard shortcuts you can use on this site

To use these access keys hold down the ALT key (PC) or CONTROL key (Apple) and then press one of the keys in the table below. In some browsers you may have to press ENTER to confirm your choice. If you are using the Opera browser (version 7+), press SHIFT-ESC, release the keys, and then press your desired key from the table below.
