

Update company details

A range of information is held for each company on the Niue Register of Companies. These details (among others) can be:

- details of each company director - full name, residential address and date of appointment
- a number of addresses - registered office and postal address

As these details change, the changes must also be recorded on the Register.

Changing these details is easy, just follow these steps:

1. [Fill out the appropriate forms](#)
2. Submit your documents by hand during normal business hours or through the post to the following address:
