

Director search

Using the Director Search tool you can determine whether an individual is, or has been, a director of a company.

 [Conduct a Director Search now.](#)

How to conduct a Register Search (Quick search)

Use the filtering option under **Quick Search** to search by the name of a current director, former director or both. Where a company has been removed from the Register (struck off) it will not be included in the results list.

Note | It is not possible to print the search results in the 'Quick Search' results box.
