

Search the Register

The Companies Register is an electronic register available to the public 24 hours a day, 7 days a week. You can search the Register for current and previous company names and director names.

[Register search](#)

A Register Search locates the company or other registered entity using either the name or number. This search will locate the companies that are currently registered as well as those that have been removed from the register.

[Previous name search](#)

A Previous Name Search locates a company using a previous name, even if you do not know the current name of the company.

[Director search](#)

A director search is useful when you want to search for all companies that a particular director is associated with. You can modify your search to look for current and/or former directors.
